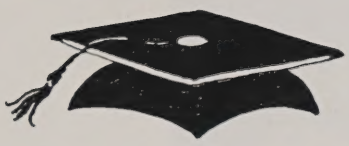
Youth.

VALEDICTORIAN

We commemorate today the end of four short years. It seems that only yesterday we were a group of eager freshmen, and today we are eager graduating seniors. Eager to begin the future. Eager to see what lies ahead of us. For most of us college lies ahead, for others a full time job or a vocational career. At times eagerness will not be enough to cope with college work or a complaining manager, but don't give up, no matter how many times you fall. Remember it takes a strong person to accept failures and learn from them, but a weak person to let them go by. Remember that we are the future of this country. Whether or not we face devastation depends on all of us. This country depends on its youth to be its leaders of tomorrow.

Finally with sorrow we leave old friends. I ask only one thing of you: Live your life to the fullest, remember you only live once. May you achieve all your dreams. Good luck to all of you. Thank you.

Grace Leite



1978-1982

The Class of 1982 wishes to thank Mrs. Hantout, senior class advisor. Without her help and caring we would not have made it. Thank you Mrs. Hantout.

The 1982-1983 academic year at J.P.H.S. will be a challenging year for students and faculty. Wholesale layoffs and the transfer of many teachers will test the very core of the public education in Boston in these trying times. With the kind permission of Karen Merica we are reprinting an article from the June 1982 issue of Knight's News.

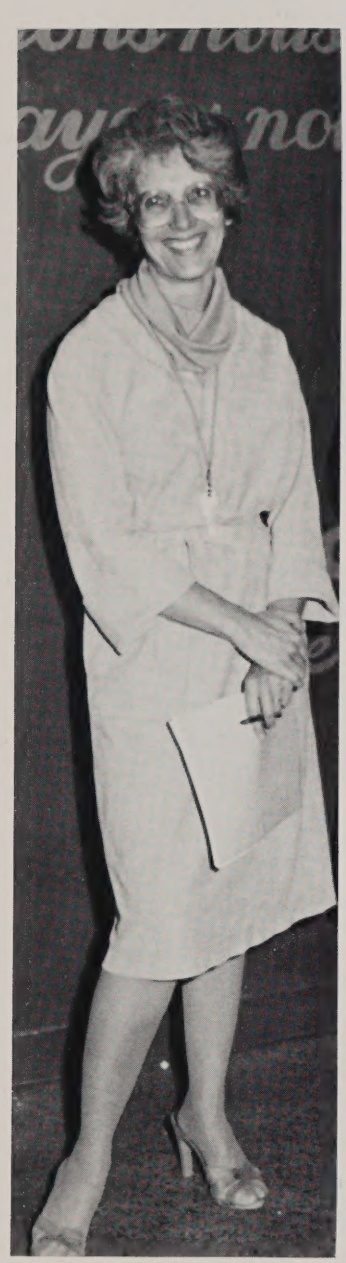
A LETTER TO THE FACULTY AND STUDENTS OF JAMAICA PLAIN HIGH SCHOOL

I have been teaching at Jamaica Plain High School for eleven years. During ten of those years, I have been the advisor for Knights' News. With this last issue, I saw goodbye to the students and staff and possibly to my teaching career.

I am one of the 595 tenured teachers recently discarded by the Superintendent and School Committee. Although some of these teachers are hoping to be recalled, the more realistic among us know that our careers are over.

I am taking this opportunity to express my hope that you, the students, will remember these years of turmoil and learn something from them. To my friends and colleagues, I wish you the best of luck and hope that you will keep fighting for our cause.

And to those who share my fate, let us hope that we are remembered for our contributions, and that the future will treat us more kindly.



Ms. Tyler J.P.H.S. Co-ordinator with Boston Gas- Traveler's Insurance- Careers- Job development- and summer job placement- and the Private Industry Council.

This year's volleyball team excelled over other volleyball teams from the past, in that they tied for second place in division 2, with a team record of 10 wins and 3 losses.

The senior team members were Sandra Santana, Ivonne Gonzales, Maritza Guerrero, Wendy Engermann, Laura Garcia, Wanda Engermann, Catherine Campbell, Janet Ramos, Amina Thompson, and Rosezina Braxton.

Due to their understanding and discipline the volleyball team accomplished their two main goals 1) Teamwork and 2) The value of sportsmanship. According to Ms. Pritchard all 16 members qualified for the Most Valuable Player award; because you cannot play a game with one individual. It takes a team.
